SECTION A: OVERVIEW

1 Purpose

This Policy provides a summary of the College's position regarding the setting and payment of tuition, examination and ancillary fees.

2 Aim

To explain how fees apply to each course delivered across the College.

3 Introduction

The Fees Policy is subject to a minimum of one full review per annum. This review is normally conducted to coincide with the annual setting and publication of the College's course fees. It may be necessary to arrange further reviews to ensure conformity to evolving legislative requirements.

The College's policy on payment and refunds of fees will be clearly stated in all documentation with any reference to fees. Information on fees will be made easily available to learners and potential learners. Where a fee is not known at the time of publication it will be made clear that there will be a fee to pay with an indication wherever possible of the amount.

Details on a wide range of support that is available to fund learning can be found on the College's Students Services pages of the College website at:

<https://www.lincolncollege.ac.uk/funding-your-course/>

SECTION B: STANDARD COURSE FEES

4 Scope

This section of the policy relates only to fees for standard courses, as published annually by Information Services in its Standard Course Fees List. A standard course is funded directly via the College's ESFA 16-19 and Adult Education Budget contract. It does not apply to the following groups:

- International students who are ineligible for public funding (Section F)
- Higher Education (HE) Courses (Section G)
- Apprenticeships (Section H)
- Courses or delivery not attracting public subsidy (Section I)
- Contractual arrangements with external agencies
- Fees devised or negotiated to address special circumstances or needs of individual client groups
- Courses of study which are fully or partially self-funded (Section I)
- Advanced Learner Loans (Section D)

5 Definitions

A course is defined as a component within a programme of study leading to the award of a qualification(s) or College certificate(s). A programme of study may be made up of several courses.

Fees are defined as all monies payable, by either a learner or third party (for example an employer or other sponsor), in return for course delivery. Fees shall be paid at the start of each year of the course.

6 Standard Fee Structure

All course fees comprise of a maximum of three elements: tuition fees, sundry teaching costs, and examination and/or registration fees. Such course fees are summarised in a standard fee list published by Information Services which constitutes an auditable document.

Tuition fees comprise of the standard individualised cost of course delivery.

Sundry teaching costs include the cost of all essential materials and equipment, together with any other essential expenses such as payments for, and any course-related services provided by the College.

Examination and registration fees reflect the cost to the College of registering students with Awarding Organisations and / or entering them for examinations.

Fees charged to the groups subject to exclusion in Section 1 will vary significantly from the standard rates and are covered in sections E to H.

In line with the ESFA conditions of funding fees are not payable by any home learners aged 16-18 in full time or part time further education regardless of funding status. Further guidance on what charges can be levied for 16-18 year olds can be found in the ESFA Funding Guidance.

All fees must be paid in full when enrolling, except when paying by an instalment plan (see section D), employer/sponsor invoice and those funded through Student Finance England (SFE) for Advanced Learner Loans or HE. A further exception is HE students paying their

fees via an SFE maintenance loan who must pay within 7 days of enrolment or will be withdrawn.

Where students continue beyond their expected end date and further teaching has taken place, the College may charge an additional appropriate fee. The student will be given a non-standard fees form, completed by the tutor and will pay the additional fee at the enrolment counter (this will not apply to those students meeting fee remission criteria).

Exam resits may be subject to charge regardless of age with the exception of Functional Skills. Employers are expected to pay for resit fees on behalf of their Apprentice.

7 Devolved Adult Education Budget (AEB)

From 1 August 2020, the adult education budget (AEB) is apportioned between the ESFA and ten mayoral combined authorities (MCAs) and the Greater London Authority (GLA).

This means that students whose home postcode falls into any of the following areas are not eligible for AEB funding through Lincoln College, and will be required to pay the full cost of any course they undertake that might ordinarily be funded through the College's AEB. The devolved areas are:

- Cambridgeshire and Peterborough
- Greater Manchester
- Greater London
- Liverpool City Region
- North of Tyne (Newcastle Upon Tyne, North Tyneside and Northumberland)
- Tees Valley
- West Midlands
- West of England
- Sheffield City Region
- West Yorkshire

A full list of postcodes falling into devolved areas can be found here:

10 Extensions to the Policy

At the discretion of the Director of Performance and Planning or a delegated deputy, following a request in writing, remission may be extended in individual instances to include the waiving of some or all of any of the fees associated with a particular learning aim. Once the request has been approved a non-standard fees authorisation form must be completed and signed by the Director of the School. The exercising of such discretion in relation to any one case should not be regarded as establishing a precedent in relation to any other case.

SECTION D: ADVANCED LEARNER LOANS

11 Loan Fees and Charges

ESFA funding is unavailable for the majority of students aged 19+ studying at level 3 or above (excluding Apprenticeships and Office for Students (OfS, previously HEFCE, funded courses). For Further Education Certificates and Diplomas, Access to Higher Education and A Level programmes at level 3, 4, 5 and 6 payment may be made via an 'Advanced Learner Loan'. For all non-apprenticeship learning (including classroom delivery) the fee charged will be the unweighted ESFA rate using the funding matrix, with the exception of Access to Higher Education, which will be charged at the *weighted* matrix rate.

Exam and miscellaneous fees will not be charged to students taking out an Advanced Learner Loan.

Resits may be chargeable.

Further information can be found at <https://www.gov.uk/advanced-learner-loan>

Students undertaking awards and unitised provision are not entitled to apply for a loan and will be required to pay full cost for these courses.

Students who fail to pay fees, or whose Advanced Learner Loan application is not fully approved and activated by the Student Loans Company within 10 weeks of starting on their course, no matter their mode or length of attendance and proposed method of payment will be charged the amount that the College should have received from the Student Loans Company. Failure to pay fees will result in suspension, removal of access to the College's IT system and eventual withdrawal.

SECTION E: PAYMENTS AND REFUNDS

12 Instalments

Any student of the College who pays his/her own course costs is entitled to do so on a monthly instalment basis, over a maximum of 6 payments, by direct debit provided that:

- The course concerned lasts for a minimum of two complete terms and the total fees due per annum are at least £200.
- The student signs an official agreement with the College undertaking to remit each instalment in accordance with a clearly stipulated timetable.
- The student to remit the first instalment at the time of enrolment, with the exception of some HE students paying their fees via an SFE maintenance loan. These students must pay within 7 days of enrolment or will be withdrawn.
- The student is able to satisfy the Group Financial Controller (or his/her nominated deputy) as to his/her ability to fulfil the terms of the instalment agreement, if asked to do so.
- The student will not be able to have an instalment plan if they have previously defaulted on payments.

Any student refused an instalment plan because they fail to satisfy the Group Financial Controller of his/her ability to fulfil the terms of an instalment agreement shall have recourse to the College's Customer Complaint and Grievance Procedure.

In instances where a student is entitled to pay his/her course fees on an instalment basis the total amount payable shall be:

- The basic costs for the course.
- Any essential materials and equipment costs relating to the course.
- Any examination and registration fees relating to the course which are required to be paid at enrolment.
- Less the full amount of any third party contribution which shall be used to offset firstly those elements of the overall fee which are payable on enrolment, and secondly those elements of the fee which relate to items or services delivered continuously throughout the entire duration of the course.

Students wishing to pay their course fees on an instalment basis will be expected to complete a Direct Debit Mandate document confirming this.

- A student's continued attendance on a course is dependent on his/her payment of each instalment by the due date.
- Failure by a student to fulfil any of the terms and conditions of an instalment agreement shall result in the student becoming immediately liable for the full outstanding balance and will result in suspension and non-access to the College's IT system.
- The original copy of each instalment agreement shall be lodged in the Finance Office, with additional copies being retained by the Enrolments Team and by the student.

- All instalments must be paid in full before the course ends
- Where a student has defaulted on previous instalment payments, they will not be offered this facility again, without prior approval of the Group Financial Controller or his/her deputy.

13 Refunds

Refunds will normally only be issued to students (or their sponsors) in the following circumstances:

- After a course is cancelled by the College.
- Where a student is prevented by ill health from continuing to attend a course providing (1) that he/she has not attended any sessions during the final term's study, and (2) corroborative medical evidence is submitted.
- Where a student is overcharged for his/her course.
- Where a student transfers between College courses on academic grounds and there exists a price differential between the two courses necessitating a refund.
- Where a student withdraws from a course before the commencement of the final term's study for a reason not specified in this section. This will be in exceptional circumstances only and deemed so by the Director of Marketing & Communications or his/her deputy. Refunds issued in accordance with this aspect of the policy are not to be considered as establishing precedents.
- Where appropriate in response to an upheld significant complaint about a course as judged by a Director of Education and Training.

In all of the instances referred to above a refund will only be approved:

- After the student (or sponsor) has completed an official College refund application form unless a course is cancelled by the College in which case a refund will be paid automatically.
- If application is submitted no later than the last day of the term following the student's cessation of attendance or change in status.

Scale of Refund

- When a student's course is cancelled by the College the student shall be entitled to a full refund of all fees paid.
- A student who is overcharged shall be entitled to receive a refund equivalent to the full amount of the overpayment.
- A student's eligibility for fee remission is assessed at the start of each course. If circumstances change after they have commenced their course this does not affect their entitlement or otherwise to fee remission and no refunds will be given in these circumstances.

- Examination and/or registration fees will only be refunded when the College has not incurred any expenses in relation to examination entries or registrations on behalf of the student.

14 Non Payment of Fees

All students are expected to pay fees at enrolment. This may be by:

- Cash / Credit Card payment
- Evidence of student loan payment
- Evidence from employer that they agree to pay
- Financial instalment plan
- Enhanced Learning Credits for Armed Forces (ELCAs) (terms and conditions apply)
- Fee remission via proof of benefits

Where fees are being paid by a loan, payments will need to be confirmed six weeks from the student enrolment date. After six weeks student details / costs will be given to the Group Financial Controller to enable invoices to be sent to the student for fees. Failure to pay within 30 days of invoice will result in the student being suspended from class. Notification will be sent to the Learning/Training and Skills Lead to suspend the student accordingly.

Students who fail to pay fees, no matter their mode or length of attendance and proposed method of payment, will be charged the amount that the College should have received from Student Finance England/Student Loans Company. Failure to pay fees will initially result in suspension and non-access to the College's IT system followed by withdrawal from the course.
